

# Find Your Next Step

*Your Path to a Debt-Free  
Financial Future*

# You're not alone. GreenPath is here to help you succeed.

Are you concerned about your debt? You are not alone. Since 1961, GreenPath has been empowering people to regain control of their finances – and their lives.

GreenPath partners with you to get out of debt, pay bills on time, and enjoy life without financial stress.

A caring GreenPath financial expert will:

- Take time to understand your debt obligations.
- Explore strategies for paying off your debts.
- Discuss the benefits and drawbacks of each option.
- See if you should consider a debt management plan, which may help you pay off credit card balances faster and save thousands of dollars in interest.
- Review your credit report with you.
- Develop a personalized action plan for getting back on track.
